

Warranty terms for E series (Non-commercial vehicle)				
No.	Category		Warranty Period (whichever is earlier)	Main Parts
1	Complete vehicle		6 years/ 150,000 kilometers	Item 2、 3、 4、 5、 6、 7 are not covered in this item
2	High-voltage System	Traction	8 years/ 500,000 kilometers	Battery Capacity>60%
		Battery	8 years/ 150,000 kilometers	All components and parts except battery cell
		Powertrain	8 years/ 150,000 kilometers	Power motor
		Electronic Control System	6 years/ 150,000 kilometers	Bi-directional Inverter Charge-discharge Motor Controller、 DC and air condition driver assembly、 Gear controller assembly、 Main controller assembly、 Leakage sensor、 Battery management controller、 Maintenance Switch assembly、 High Voltage Distribution Box、 AC charging connection device、 High-voltage Wire harness
3	Transmission assembly		6 years/ 150,000 kilometers	Front drive transmission assembly、 Front and rear box、 Differential components
4	Charging inlet assembly		3 years/ 100,000 kilometers	
5	Charging facilities		1 year/ Unlimited	Charging box、 Charging connector
			3 Months	Surge protection Device
6	Other parts		3 years/ 60,000 kilometers	Multimedia system、 Shock absorber、 Dust boot、 Bushing or gasket、 Wheel bearing、 Start-up iron battery
			1 year/ 20,000 kilometers	Start-up lead-acid battery
7	Wearing parts		Normal wear and tear are not covered in this warranty	Brake pad、 Wiper Blades、 Bulbs、 Fuse for low-voltage circuit、 Intelligent Key battery、 Air Filter、 Tire、 Wiper blade assembly、 Generic relay(without integrated control unit)

1. Other Items not covered

Damages due to factors below shall not be covered under the warranty:

- 1.1 Damage due to the misuse of the vehicle(s) such as driving over curbs, driving into maintenance or construction areas, overloading of the vehicle or any other damages caused by driving inappropriately which is not in line with BYD owner's manual.
- 1.2 Damage due to the accidents or force majeure including but not limited to typhoon, flood, fire, arson, collision, theft, riot, civil commotion, acid rain, airborne fallout (chemicals, tree sap, etc.), salt, road hazards, hail, wind storm, lightning and other acts of God.
- 1.3 Damage due to the alteration, modification, tampering, and rewiring of the vehicle(s) unless otherwise agreed between the Parties.
- 1.4 Improper replacement of parts or installation of accessories.
- 1.5 Damage/ pollution due to the improper maintenance, or the misuse of oil, lubricants, chemicals, water, or other liquids that are not recommended in the customer Owner's Manual.
- 1.6 Misuse of the charger that not certified by BYD or non-standard charging operation that are not stipulated in charger user manual.
- 1.7 Vehicle is placed without operation for more than 14 days when the battery power is less than 10% SOC, or placed in the environment where temperature is more than 55 °C or below -40 °C.
- 1.8 Damage due to the non-cooperation of customers for obtaining data in the aspects of diagnosis, analysis, maintenance in time; or damage due to repairing of existing problem.
- 1.9 Vehicle running in the water or liquid level higher than 200 mm.
- 1.10 Intentional action to reduce battery life.

2. Warranty Effective Date

Warranty Effective Date shall mean the earliest date of below:

- (1) when the Completed Vehicle(s) is(are) sold to the first end customer, or (2) the date when the Completed Vehicle(s) is(are) first put in service for the purpose of demonstration, courtesy, lease or use as company vehicle(s); or (3) the first day after 3 months from the date of Party B receiving the Completed Vehicle(s).
